GOING GREEN

Sustainability Campaign

New Zealand

Make a real impact by Going Green with NSK. Our Going Green campaign rescues used and non-performing handpieces or equipment from landfill. Even items that can't be repaired are recycled responsibly. When you upgrade your equipment, you're not just enhancing your practice – you're contributing to a sustainable future. Join us in making a difference!

GO GREEN AND TRADE-IN YOUR HANDPIECES

HOW IT WORKS

Trade-in any brand of handpiece for a handpiece, unit for unit, or motor for motor.

Choose the **new NSK product** you want

Grab your **old product** you want to **trade-in**

Contact your supplier for offer

Join us in our mission for a healthier planet and brighter smiles! Together, we can make a real difference. Go green for a sustainable future by trading in your old equipment and receiving 25% off on replacement items.* We accept trade-ins of any make or model, even if they're not in working condition. However, disassembled handpieces, spare parts, or components cannot be accepted.

*Discount applies to selected items only.
